RECOMMENDATION

I recommend that Roger Lasson be appointed to the Senior Citizens Commission.

BACKGROUND

Mr. Lasson, a resident of Council District 8, has shown a committed work ethic and experience in the community. He has worked hard to establish and lead several organizations. He has shown commitment in his volunteer work with, the Evergreen Senior Advisory Council, the Senior Advisory Council of Presidents, and the San José Retired and Senior Volunteer Program. The development and UPKEEP of these organizations demands considerable time commitment and continued support and I believe this reflects Mr. Lasson's willingness to dedicate himself to the needs of The Senior Citizens Commission.
