Climate Smart San Jose Press Conference -- City Hall Plaza
Dear Honorable Council and City Staff -

I am writing to invite you to a press conference February 15 marking the release of Climate Smart San José (CSSJ), a City of San José initiative to reduce greenhouse gas emissions (GHG) and ensure a long-term water supply.

Mayor Sam Liccardo and I will discuss Climate Smart San José, which aims not only to reduce the city's carbon footprint but also to improve quality of life for those who live and work in San José. The press conference will take place at 10:30 a.m. in the City Hall Plaza.

Climate Smart San José, formerly known as the Environmental Sustainability Plan, will make San José a climate leader, putting the City on a path to meet GHG reduction targets under the Paris climate agreement. The plan has three components: energy, mobility and water.

The Environmental Services Department has conducted extensive outreach to the community in drafting the plan, holding 12 public meetings and six technical workshops since 2017.

Beginning Feb. 15, our community will be able to review the Climate Smart San José plan by visiting

The City also will host a town hall meeting Feb. 20 to inform the community about Climate Smart San José and give residents an opportunity to ask questions. The meeting will take place at 7 p.m. on February 20 in Council Chambers.

The City Council will consider adopting Climate Smart San José on Feb. 27.

For more information on Climate Smart San José, visit

We look forward to seeing you at the press conference as we spread the

Walk Out -- Lynbrook High School

Scheduled 3/12/18 by RD

Attire:
Business Casual

Host:
Lynbrook High School students

Note:
Students at Lynbrook HS will be walking out of their classrooms for 17 minutes to exercise their right to express their opinions on the issue of gun violence facing the nation.
There will be memorials to the 17 who died in Parkland, Florida and a selection of student speakers

March 14, 2018 Continued

Wednesday

Here is the main plan for the day:

The general policy for adults being on campus is as follows for the walkout

1. Arrive at the main office by 9:50 AM. I have attached a PDF of the campus map because the front office is actually at the side of the school.
2. At the office, you may request for a visitor's pass. A request along the lines of "visiting a teacher" should be sufficient. I will also be present at the office to ensure entry.
3. We will proceed to the top of the quad (also marked on the PDF) after getting a visitor's pass. The program for the walkout will be managed mainly by Selena Jeong and Amber Lee ([you may scroll down on this web page for their photos](#)), and they will be at the top of the quad as well.

As for speaking, here are the general topic ideas we've had for adult speakers:

- a. Encourage and inspire students to continue attending marches, walkouts, etc. in the future.
- b. Importance of being civilly engaged -- registering to vote, voting for midterm + local elections (not just presidential elections); ensuring that we take tangible action beyond protest.
- c. The responsibility of our generation being the future-- future leaders, future voters, future decision makers. Emphasizing that it is our responsibility and our choice to take action and to mobilize together and make a change regarding the issues our world faces.
- d. Speeches should be under 3 minutes.

We thank your office again for agreeing to attend this protest, and we look forward to meeting with Councilman Jones tomorrow!

Schedule:

10am – 10:17am Walk Out

Chappie to give a 2 minute speech to students who will be walking out
