POLICE • COMMUNITY PARTNERSHIPS

Your neighborhood is invited to participate on Tuesday evening **August 7, 2018**, with many other neighborhoods across the country in celebration of National Night Out. National Night Out is a crime and drug prevention event that is sponsored nationally by the National Association of Town Watch and co-sponsored locally by the San José Police Department. This year marks the 35th annual event and over 38 million people across the country are expected to participate.

**National Night Out is designed to:**

- Heighten crime and drug prevention awareness.
- Generate support for, and participation in, local anti-crime efforts.
- Strengthen neighborhood spirit and police/community partnerships.
- Send a message to criminals letting them know neighborhoods are organized and fighting back.

Join us today by registering your event at **SJPD.ORG** and a team of the San Jose Police Department will join you and your neighbors!

**Event Questions and Answers**

- Q: If San José is already registered nationally, why should my neighborhood register with the **San José Police Department**?
- A: The Crime Prevention Unit of San José Police Department will log your event, number of participants, time and location. This will allow us to try and have Police and other City representatives stop by and visit your event.
- Q: How can our neighborhood participate in this year's National Night Out?
- A: Participating neighborhoods nationwide are asked to turn on outside lights, lock their doors, and spend the evening outside with neighbors and Police. Neighborhoods will be hosting a variety of events ranging from small pot-lucks and BBQ's to large block parties. Be creative, it's up to you!
- Q: Is National Night Out just for current Neighborhood Watch areas?
- A: No!! National Night Out is for everyone. The exciting thing about National Night Out is the opportunity to meet neighbors and celebrate your neighborhood. It's also a good opportunity to look toward the future and plan events to promote neighborhood safety and unity.
- Q: When should we begin planning our National Night Out event?
- A: Today! Register now and begin planning your event as soon as possible.
